

# PRIDE 2008

Loving, Sharing, and  
Strengthening who you are...

I wish to extend a heartfelt welcome to all  
who have gathered for the Lesbian, Gay,  
Bisexual, and Transgender *Pride Celebrations!*

The Pride Celebrations have served to unite millions  
of Americans in allowing individuals to promote and  
celebrate their identities as members of the GLBT  
community. This tremendous organization and  
celebrations like these have helped to create a shift in  
America towards tolerance, progress, and acceptance.

I wish you all the best Pride Celebration ever!
